Mobile application – Login

- Once Xplorify app is installed, the customer can sign in by entering the credentials.
- You need to enter the Ngrok token to connect to the database.
- If the login is successful then it'll go to the ticket booking page
- If the customer doesn't have an account, he/she can sign up.

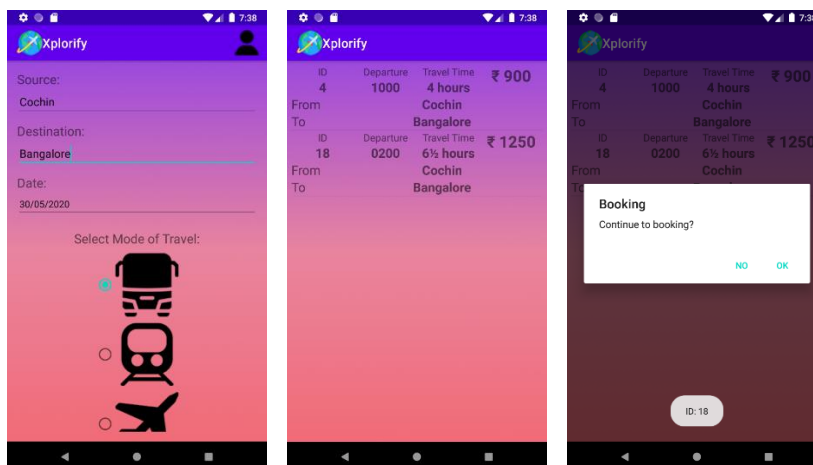

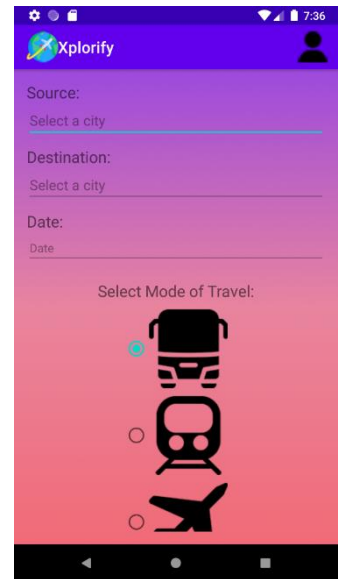

Mobile application – Register

- The customer can sign up in case he/she doesn't have an account.
- Customer's account credentials are entered here and submitted.
- Later it redirects to the login page and the customer can log in and start booking tickets.

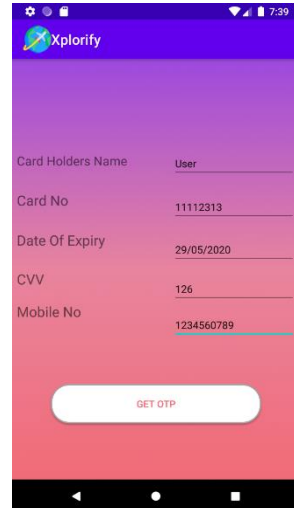

Mobile application – Ticket Booking

- After you've logged in, you can choose your mode of transport and check out all the available tickets along with the cost.
- You can view which all tickets are available by just specifying the mode of travel.
- There are 3 modes of transport: Bus, Train, Flight.
- Travel time and place will be given.
- According to the customers convenience he/she can book the tickets.
- If the customer wishes to go to specific place, he/she must enter the source address, destination address and the date.
- After selecting the mode of transport, the available tickets will be displayed.
- If the customer has found the desired ticket, he/she can confirm the booking and proceed to payment.

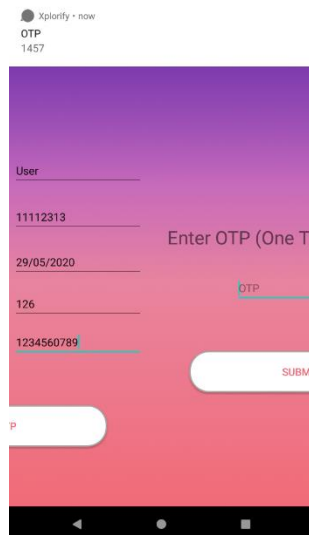

Mobile application – Payment

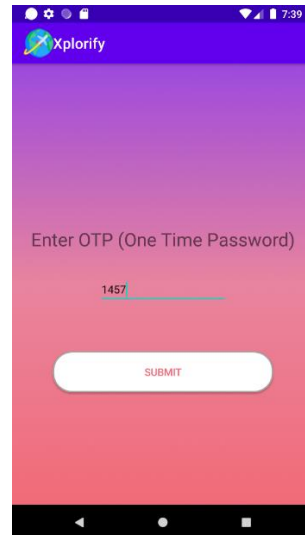

- To confirm the booking, the customer should do the payment.
- The customer must enter all the credentials.
- The same mobile number which was given while creating the account should be given.
- One-time-password will be sent to that mobile number when the customer enters all details and presses “GET OTP” option.
- Once the customer receives the OTP notification, he/she can enter the OTP to confirm the payment.

The screenshot shows the Xplorify payment form. It has a purple header with the Xplorify logo. Below the header, there are input fields for Card Holders Name, Card No, Date Of Expiry, CVV, and Mobile No. The Card No is 11112313, Date Of Expiry is 29/05/2020, CVV is 126, and Mobile No is 1234560789. There is a 'GET OTP' button at the bottom.

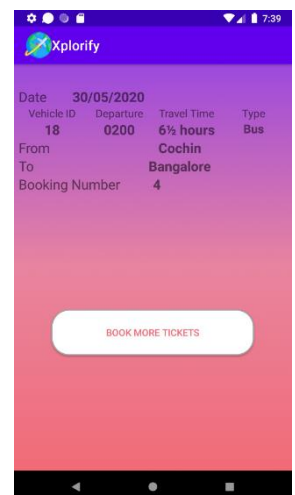

The screenshot shows the Xplorify OTP entry screen. It has a purple header with the Xplorify logo. Below the header, there are input fields for User, Card No, Date Of Expiry, CVV, and Mobile No. The Card No is 11112313, Date Of Expiry is 29/05/2020, CVV is 126, and Mobile No is 1234560789.
